DONGGUAN SONGMAN TECHNOLOGY CO., LTD.

About US

Dongguan Songman Technology Company Limited is one of the most professional manufacturer and supplier of gaming products, located in Dongguan city, since 2009. We offer OEM business service for our good clients.

With more than ten years development, we have rich experience in researching, designing and manufacturing gaming products, especially for gaming headsets, we also applied for design patent for our main products.

Focus on unique research and design, we keep releasing newest unique design products to fulfill markets' requirement.
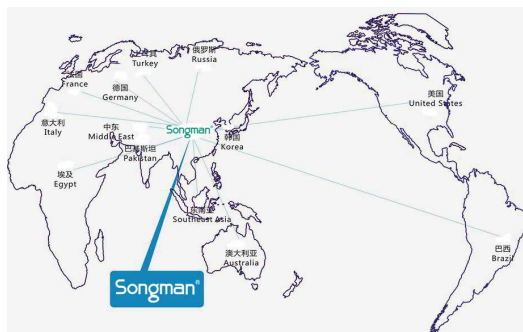

Compliance with BSCI and ISO 9001:2015 , we have the completely management system from product design, tooling processing, hardware stamping, molding injection, assembling and packing. We also make one hundred percent full inspection before packing and shipment to ensure quality.

Applies automatic wire drawing machine, automatic high-speed hardware stamping machine, automatic injection molding machine, several assembly and packing lines , we can achieve daily output of more than ten thousand sets.

Today our products are selling not only in domestic market, but also sold to other countries in North and south America, Europe, Middle East and Asia.

As the reputable manufacturer and reliable supplier, we also try our best to supply the best business service, such as delivering the goods on time, the satisfied after-sales service.

Please don't hesitate to contact us for our good business cooperation.
